Dear Local Business Owner,

Thank you so much for your consideration in supporting the **DDA Company Foundation**.

Our studio has formed a separate 501C3 Non-Profit Foundation, in hopes to secure funds to support our local youth. **These funds will go to support our DDA Competition Dance Team, as well as, future dance scholarships and advanced dance education for all of our dancers. DONATIONS ARE TAX DEDUCTIBLE!!**

We are currently looking for monetary donations for our Designer Purse Bingo Event that will be held Dec. 8, 2022 at Meadow Springs in Francesville. This is our second year putting on this event and had rave reviews from all of those that participated. It was a great fundraiser for our dancers!

We have high hopes and huge goals for this upcoming season. Coming Oct 2022, we are taking our Dance Company to Disney World to do a live performance. Your 2022/2023 donation will go to help these dancers' dreams of dancing at Disney World come true.

August 2021, we took a few dancers to Houston, Texas to dance with one of the top 25 Choreographers in the US. Annie Arnoult and her Professional Dance Company "The Open Dance Project".

In 2023 our dancers will compete in three Regional Dance Competitions, and two Dance Conventions to further their dance training. We are excited to attend our 1st ever Christian Based Dance Convention in 2023. At DDA we try to instill the importance of No Judgement, Only Love and we think this new convention will help our dancers rejuvenate their spirit and bring glory to God for the gift he has blessed them with.

Last season our dancers were awarded several partial scholarships to dance in New York City & Hollywood, but due to lack of funds these dancers were unable to attend these amazing opportunities.

Community support is so important to our cause! Monies raised through fundraising activities and donations, like this one, affect individual and/or families currently participating in our DDA Competition Team Program, by lowering expenses. Your generous donation affects more than these dancer's immediate future; it affects the choices of colleges, careers and future families in our community. Your participation will have far reaching effects, as we watch these dancers grow into our future community leaders.

To repay our community for their support, we ask our dance families to go around Francesville to pick up trash that is left out on the streets and park. We have pick up dates scheduled before and after the Francesville Fall Festival.

This year our Dance Company has 30 local dancers that will be competing in Regional & National Dance Competitions.

DDA is celebrating our 8th year in bringing quality dance instruction to Francesville. We are proud to be one of the local businesses that brings in clients every day from outside of our community. We have students from Francesville, Flora, Winamac, Monon, Medaryville, Monticello, Remington, Wolcott, Rensselaer, etc., our business continues to grow and reach more students every year.

DDA Company Foundation

A few years ago, we partnered with another non-profit organization called DanceOn, that provided scholarships to dancers and has started an anti-bullying campaign that DDA is proud to be a part of. This organization has allowed our dancers to take classes with Yossi Chaikin from the Hamilton Musical in Chicago, Josh Killacky from L.A. who has danced with Matt Steffanina, Twitch, etc. and has appeared on Ellen, MTV, Dancing with the Stars and many more shows. Our dancers also took classes from Joe Musiel, Matt Pilalis, Keenan Cooks, Joshua Carter, all very well know dancers and choreographers that work with big name dance companies and celebrities, such as Jennifer Lopez, Cardi B.

Your donations will also help us to keep providing these amazing opportunities to our local youth.

Warm regards,

Lori Sutton
