Dear Local Business Owner,

Thank you so much for your consideration in supporting the **DDA Company Foundation**.

Our studio has formed a separate 501 (C) (3) Non-Profit Foundation, in hopes to secure funds to support our local youth. **These funds will go to support our DDA Competition Dance Team, as well as, future dance scholarships and advanced dance education for all of our dancers. DONATIONS ARE TAX DEDUCTABLE!!**

We have high hopes and huge goals for this upcoming season. Community support is so important to our cause! Monies raised through fundraising activities and donations, like this one, affect individual and/or families currently participating in our DDA Competition Team Program, by lowering expenses. Your generous donation affects more than these dancers immediate future; it affects the choices of colleges, careers and future families in our community. Your participation will have far reaching effects, as we watch these dancers grow into our future community leaders.

Donors can make specific request for what their donations go towards, such as Convention Fees, Competition Fees, Dance Tuition or Costume Fees.

Warm regards,

Lori Sutton

PRESIDENT OF DDA COMPANY FOUNDATION

DDA Company Foundation

DDA is celebrating our 12th year in bringing quality dance instruction to Francesville. We are proud to be one of the local businesses that brings in clients everyday from outside of our community. We have students from Francesville, Winamac, Monon, Medaryville, Monticello, Remington, Wolcott, Rensselaer, etc., our business continues to grow and reach more students every year.

Each dance season our Competition Team attends anywhere from 4 -6 dance competitions and atleast one dance convention.

Our Elite Company Dancers take a minimum of 6 hours of dance classes per week, plus 2 to 3 hours of competition rehearsal time. We are blessed to have amazing parents that allow their children to take all of these classes. It takes a lot of time and money to help their children achieve their dreams. Along with their class fees there are also fees to attend the competitions themselves. This is why we are seeking donations, to help parents cover these additional fees.

Competition Team Cost: (varies from competition to competition, but this is an average)

Solo Fee per Competition/per Dancer: \$160+ & Group Fee per Competition/per Dancer: \$75+

The average competition cost for our entire group to attend just once dance competition is around \$7,000. All dancers go to four per year (some dancers attend more) which is a total of \$28,000 for our families to pay per dance season.

To attend one dance convention, where dancers take classes from other professional choreographers cost anywhere from \$300 - \$600 per convention/per student.

Dancers also have costume fees that range fromf \$100+ per costume, along with travel and hotel expenses per competition.

We cannot express enough the benefits of dance and competing. DDA is working hard to not only produce amazing dancers but to produce amazing young people to help our local community blossom and grow with hard work, dedication and respect. Although our studio is made up of many different people from all walks of life, we consider ourselves to be one big family. We hope you take time to look at our website or Facebook page to see what great works we are doing in our community.
